5 RULES

5.1 Round Saltspring will be governed by the RRS for 2017-2020, the class rules of PHRF-BC, and the World Sailing Offshore Special Regulations ("OSR") for 2018-19. The prescriptions of Sail Canada shall apply.

wire subject to the person-in-charge having inspected for cracks in the plastic coating and exposed wire and fittings for signs of corrosion in the week before the race.

The adjustment for any permitted use of propulsion will be a time penalty of 1% of the boat's elapsed time. This changes Rule 44. The Sailing Instructions may also change other racing rules.

5.6 Boats in Island Time Class are permitted to use propulsion at any time from 30 min after the start until 1 mile from Finish. Boats must log all use of propulsion and report it on their Finish Form. A time adjustment of 0.4 times the square root of LWL times the duration of propulsion will be added to boat's elapsed time.
