Saltspring Island Sailing Club is very happy to welcome you back to the Round Saltspring Race. It's great to see you!

We've really missed our signature racing and social event during the past two years of Covid pre-cautions, and I know many of you have missed this well-loved race around the rock too.

I want to salute all our dedicated Round Saltspring volunteers. The folks in the yellow shirts, and many more behind the scenes, go all-out to make Round Saltspring the coast's favourite regatta. To all skippers, crew, family, friends and club members – have a great race and a great time this weekend!

— Roy Marlatt, SISC Commodore

Welcome back! We're thrilled to finally host the 47<sup>th</sup> Round Saltspring Race. While it's been two years since the 46<sup>th</sup> race, we aim to make up for lost time with the kind of memorable weekend of racing and social events Round Saltspring is famous for.

Our weekend schedule is packed, starting with our Friday night BBQ with live music and culminating Sunday morning with a Pancake Breakfast and an Awards Ceremony with prizes and plaques in every division.

Round Saltspring veterans will notice a few changes this year. For the first time, at the suggestion of racers, skippers will choose their direction around the rock – clockwise or anti-clockwise. On the social side, we're serving a simpler burger menu on Friday night. Will these changes be permanent? We'll look to your feedback to decide. What will never change are the unique natural challenges of racing around the rock, our aim to host a fun, fair competition for boats of every type, and our traditional hospitality. Thanks to our enthusiastic volunteers and loyal sponsors – and thanks to our guests for coming out. Have a fun, safe race!
